

## MOTIVATION

- **There is no alternative to hard work.**
- We are what we repeatedly do.
- You can do anything you think you can.
- The most successful men are those who serve the greatest number of people.
- Every adversity carries with it the seed of an equivalent or greater benefit.
- Only he who can see the invisible can do the impossible.
- **All things are possible, if you never give up.**
- When your burning desire for success is greater than your deepest fear of failure, you can create anything in your life.
- **Follow your heart, not your fears.**
- If you're willing to suffer, you can become anything.
- There is nothing impossible to those who will try.
- It's the will. Not the skill.
- No matter how many times I fail I will still raise.
- If you aren't willing to work for it don't complain about not having it.

## MOTIVATION

- If you risk nothing then you risk everything.
- Thinking should become your capital asset, no matter whatever ups and downs you come across in your life.
- Even if you don't know how to complete a project, just take the first step. There is power in action.
- **Never, ever give up on your dreams. Never, ever.**
- If you want to do something bad enough you'll find a way to get it done.
- The man who wins is the man who thinks he can.
- The person who risks nothing, does nothing, has nothing, and is nothing.
- Opportunities come disguised as obstacles.
- **A man may die, nation may Rise & Fall But an Idea Lives Forever.**
